

Perengistan, 2003

Elite graded stallion Perengistan is a masterpiece from Stavropol. Perhaps the finest son of the late leading sire Karar, and of Pudokhan, one of Stavropol's best all-time broodmares. Perengistan had a very successful race career in Russia before beginning his new life with Medeus. He is a horse of great kindness and intelligence with magnificent expressive movements which he transmits to his offspring.

FROZEN SEMEN IS AVAILABLE

Karar black, 1995	995 Kerzi black, 1978	896 Kerogli	721 Kaplan
